You can book one of our scheduled tour itineraries as a private tour or we can design an itinerary just for you. Tours can start on any day of the week and range from a day trip to an extended tour through multiple areas.

We offer private touring through **Kakadu, The Kimberley, The Pilbara and the Red Centre** during the winter months, from May to October. Tours can start and / or finish in Darwin, Kakadu, Karratha, Kununurra, Broome or Alice Springs.

We offer private touring through **Tasmania and South Australia** from Oct-April inclusive. Tasmania tours can start at a location of your choice on the island. South Australia tours can start and / or finish in Adelaide or a location of your choice. Touring can include the Fleurieu Peninsula, Kangaroo Island, across the Nullarbor, Eyre Peninsula, Outback South Australia, Flinders Ranges and more.

We can offer a range of accommodation options from Safari Camps and Bush Bungalows to station stays, cabins, motels, Outback Pubs, heritage accommodation and luxury wilderness lodges.

Private tours can include a range of experiences and activities to suit your family or group. In Kakadu and The Kimberley, we can include swimming in waterfalls, viewing ancient Aboriginal rock art, crocodile and wildlife cruises, spectacular wetlands, magnificent gorges, fishing, scenic flights and Aboriginal cultural experiences.

In South Australia we can offer wine and gourmet produce tasting, 4WD'ing through the Outback, wildlife viewing and experiences, adventure caving, stunning coastal scenery or explore the vast open spaces, European and Indigenous history and fascinating landscapes of the Nullarbor and the South Australia Outback.

Tasmania has it all- fantastic hikes, delicious local produce, waterfalls, heritage train rides, wilderness cruises and some of Australia's most beautiful scenery.

Our incentive and team building programs include a range of activities to challenge, motivate and bond your team through interaction, cooperation, and understanding as well as having fun !

And if you'd like to REALLY reward your team for their hard work, we can offer a range of special and unique experiences they will never forget !

We can also offer tag along tours for those that would like to drive their own 4WD vehicle on their holiday but would like the security of being accompanied by an experienced 4WD guide with years of outback touring experience. We offer Tag along tours for private groups only so it works out more cost effective if there are a few vehicles in your group, to share the costs. If you would like a combined Tag along / guided tour, with some in your group driving their own 4WD's and some travelling with us in our tour vehicle, we can do that too. We take care of accommodation and meals and we also provide information about the places we visit, so your holiday will be interesting as well as fun and challenging.

# Exclusive One- Off Tours

We often have special one-off tour departures that you can join and these vary each year.

Running year-round, these could be special interest tours, such as a photography safari or a private tour organised by a group that has a few spare seats.

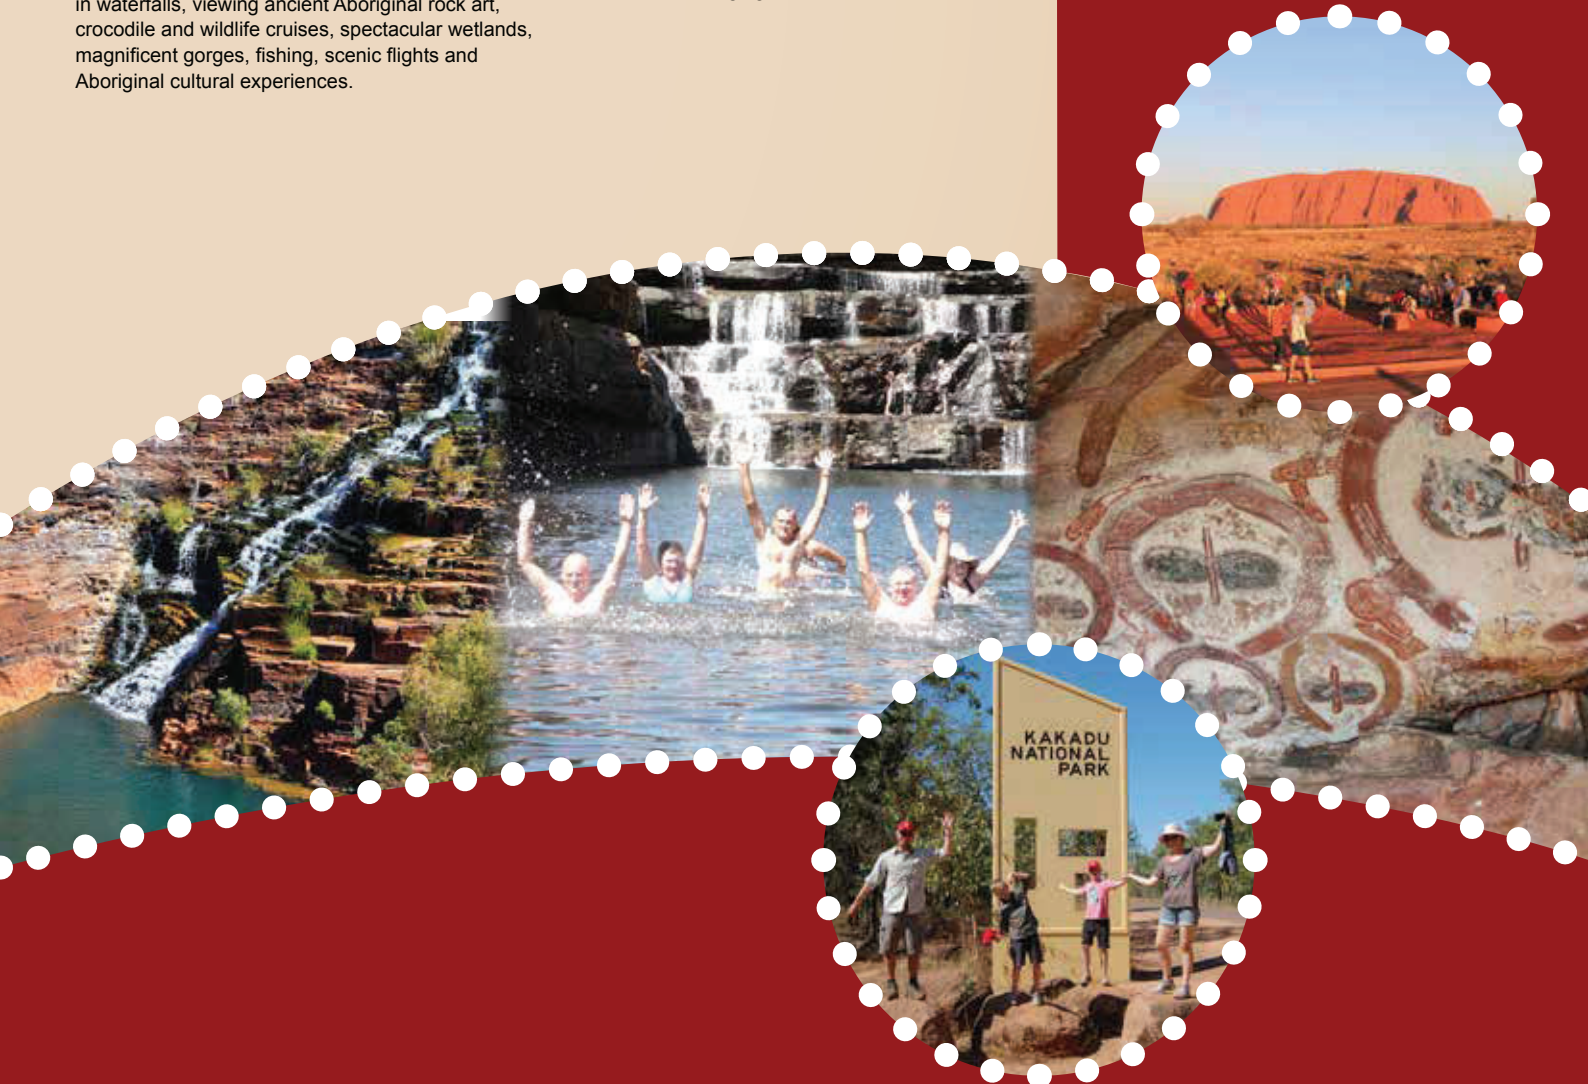

Check our website or Facebook page for details on current one-off tours or sign up to our quarterly newsletter for news on these tours as well as other special offers and information.

# General Information

## Your Tour Guides

Sacred Earth Safaris is family owned and operated and we lead many of our tours ourselves. We've passed the Kakadu for Knowledge tour guides course and hold current first aid certificates as well as all other accreditations to enable us to lead tours. As experienced 4WD enthusiasts, we have a passion for nature, culture and the beautiful places we visit so we enjoy sharing our knowledge and enthusiasm with our clients.

## Vehicles and equipment

We have a Range Rover Vogue 4WD, which carries a maximum of 4 adults and 2 children, an OKA 4WD Expedition vehicle, which carries a maximum of 9 passengers and a Tatra 6WD tour coach which carries a maximum of 26 passengers. All vehicles have air conditioning, forward facing seats and are fully equipped for travel in the harsh outback conditions, carrying a satellite phone, first aid kit and a 240V inverter for you to charge your camera batteries. We also have a defibrillator. Luggage, food and equipment are stored in the rear of the OKA and Tatra and our Range Rover tows a specially designed off- road trailer. Our strict maintenance schedule ensures our vehicles are in their best working order at all times.

## Passenger fitness and participation

Tours are designed for the average fitness so while you don't have to be super fit, you need to be able to walk unaided (though hiking poles are fine) , over uneven terrain, in warm climates. Having such small groups means we have plenty of time to do and see everything so there's no rush and passengers can choose to opt out of any of the activities and do something else instead (it's your holiday after all !). If you have any concerns about any parts of the tour or have any special needs, please contact us for more information.

## Food and Drinks

The food Sacred Earth Safaris provides on tour is fresh, varied, plentiful and using good quality ingredients. We mainly stay at accommodation with a Dinner, Bed and Breakfast package so meals then will be provided by the accommodation. Most meals are provided on scheduled tours as well as snacks, fresh fruit, delete fruit juice, cordial, tea and coffee. Iced water is always available in the vehicle. We offer as many fresh vegetables and fruits as possible, with consideration to Outback conditions. We are happy to cater for vegetarians and passengers with medically diagnosed conditions such as celiacs disease, lactose intolerance and allergies, but are unable to cater for lifestyle choices. We must be notified of any dietary requirements or allergies before booking so that we are able to maximise passengers' enjoyment of their tour.

The meals provided on a Private charter tour will vary depending on the type of accommodation you select and will be listed on your itinerary.

Soft drinks and alcohol are not provided so you need to bring your own, if required and we're happy to keep it chilled for you. We recommend purchasing alcohol before the start of your tour as it's unavailable in most places we visit.

## What's included and not included on my tour ?

On scheduled tours, most meals are included (unless otherwise stated), all accommodation, park entry fees and listed activities.

We don't include alcohol, pre or post tour accommodation and any optional activities, which are advised on each itinerary.
