Child policy

Subject to the strict conditions below Sacred Earth Safaris offers scheduled and private tours and are happy to carry children on all departures.

For scheduled Kimberley and Outback South Australia tours, the minimum age is 10 years of age. Our concern is for the comfort of your child as well as the comfort and enjoyment of fellow adult passengers.

On private tours we're happy to carry children aged 4 and upwards through the Top End and South Australia and aged 10 and upwards, on Kimberley, Pilbara and West Coast and Outback South Australia, tours. We will design the itinerary, in consultation with each group, to minimise distances travelled each day and include child friendly activities.

The Top End and Kimberley regions are large and on some days, require significant time travelling (though we stop regularly for breaks). Some places we visit and stay at, especially in the Kimberley, are remote and have minimal facilities. Our guides will do what they can to educate and/or entertain children, consistent with their responsibilities to other passengers but it's the parent/guardian's responsibility to support and encourage appropriate involvement and to supervise their child's behaviour.

Sacred Earth Safaris guides are not qualified child care workers and during all touring, are unable to accept responsibility for children's care without parental supervision.

Sacred Earth Safaris accept no liability for any loss of enjoyment experienced by clients due to their child/children being uncomfortable in a tour environment and no refund or compensation will be issued for early disembarkation of the tour.

Parents or Guardians of the minor children acknowledge -

- i) that they are fully aware of and assume all the risks (including but not limited to the risk of serious bodily injury, property loss or damage) of the said minor children at all times;
- ii) that they are liable for the minor child/children's behaviour and participation in recreational activities during the tour and recognise and acknowledge it is the parent /guardians responsibility to ensure that the said minor child/children participates only in those activities for which he/she has the required skills, qualifications, training and physical conditioning.

Sacred Earth Safaris shall have no responsibility to pay for medical treatment and related costs if said minor child/children is/are injured.

The parent/guardian assumes all the risks and responsibilities surrounding the minor child/children's participation on the tour and to the fullest extent allowed by law, holds harmless and agrees to indemnify Sacred Earth Safaris, its officers, directors, faculty, staff, volunteers, employees and agents, from and against any present or future claim, cause of action, loss or liability for injury to person or property, which said minor child may suffer or for which said minor child may be liable to any other person, related to said minor child's participation in recreational activities at or on the tour resulting from any cause whatsoever, and regardless of fault.

The parent/guardian of the minor child agrees and accepts that no oral or written representations can or will alter the contents of this condition of booking and agree that this agreement shall be governed by the laws of the Northern Territory of Australia.

Before you book, please consider whether your child is comfortable in a small group Outback tour environment.
